In 2018 the Future of Horsemanship Youth Scholarship Program was restructured to provide young people from ages 10-24 needing financial assistance with scholarships to further their natural horsemanship educational ambitions.

Our 2018 Future of Horsemanship scholarships were awarded to 13 young horsemen from 5 countries (United States, Italy, Australia, Sweden, and Germany)! In addition, Parelli Natural Horsemanship gifted a Savvy Club Membership to those who were not current members. Applicants not receiving a scholarship received a complimentary Level 1 Kit to study the basics and hone their skills before applying for our 2019 scholarships.

2019 Future of Horsemanship Scholarship applications will be accepted July 1 - August 15, 2019 via our website. Mark your calendars! More information to come.

Passive Persistence in the Proper Position at Achaius Ranch
By Joan Reinbott

Achaius, which means "horseman" in several languages, is the name of a ranch serving upwards of 200 youth in Ladoga, Indiana.

Co-founders Elisha and Rodney McCulloh received a $2,500 grant in 2018 and welcomed 3* licensed Parelli Professional Tiffany Rowe.

When asked about teaching the staff, Tiffany said: "Achaius is a special place! You can feel the positive energy when you arrive. I love going there. I am always excited about working with the youth and horses at Achaius. They have put so much time and effort into choosing the right horses for this specialized discipline and spent many more hours in developing them for success."
